On 12th April 2014, 13 students and 9 teachers from the Confucius Institute at the University of Nairobi visited Alice for Children Home in Utawala, Embakasi.

The students entertained the Children with Chinese and Local songs and also taught them simple Chinese dialogues. The Confucius Institute donated clothes and stationary to the children and together played local and Chinese games like kicking shuttlecock, football, singing games just to mention a few. We really had fun!

The Confucius Institute has been offering informal Chinese Language classes to the children of the home but resolved to formalize with weekly classes and activities.
